- Teen Get Going is an interactive site dealing with alcohol and other drug use. - <https://www.teengetgoing.com/index.asp>

- Cool Nurse was created to help today's teen and young adult achieve and maintain a high level of health, fitness and well-being. Teenagers need to know the latest about health and about their bodies. Health and sex education has been cut from many school budgets. This site is a guide to assist you in making intelligent, informed decisions. [www.coolnurse.com](http://www.coolnurse.com)

- Painfully Obvious® exists to give you the facts about the effects and dangers of [prescription drug abuse](#). It's important that you understand that depending on how prescription drugs are used, they can either save a life... or end it. The information on this site is intended to make it "Painfully Obvious"™ that abusing prescription drugs is totally unsafe and totally uncool. The information and materials at PainfullyObvious.com are not intended to replace proper medical supervision or advice. Remember to always consult your doctor or other healthcare professional when you have questions or concerns about your prescription medication [www.painfullyobvious.com](http://www.painfullyobvious.com)

- Do Something was founded in 1993 by Andrew Shue and Michael Sanchez, childhood friends who had a dream to make community service as cool as sports. Do Something strives to make this a reality. We inspire, support, and celebrate young people (like you) changing our world. [www.dosomething.org/](http://www.dosomething.org/)

- YouthWEB Online unites youngsters, teens and adults from diverse backgrounds and communities in the fight against bias, bigotry and prejudice. Young people can report hate-related incidents and get assistance along with information about hate crimes, school violence, discrimination and human rights. [www.youthwebonline.com/](http://www.youthwebonline.com/)

- Since 1991, Liz Claiborne Inc. has been working to end domestic violence. Through its Love Is Not Abuse program, the company provides information and tools that men, women, children, teens and corporate executives can use to

learn more about the issue and find out how they can help end this epidemic.
